DATE MAILED: 08/05/2004

Please find below and/or attached an Office communication concerning this application or proceeding.

Miscellaneous Office Letter (No Response Period Set)

This Office Action is supplemental to the Notice of Allowance mailed June 2, 2004.

In a telephone conversation with Rachel Pillof, on or around July 12, 2004, the Examiner was informed that a Miscellaneous Office Letter (No Response Period Set) was mailed to Applicant on July 2, 2004, with regard to USSN **09/715,026**. This miscellaneous office letter contained a typographical error as it referenced USSN **09/715,026**, instead of USSN **09/715,036**. This letter was issued in error, as USSN **09/715,026** is an abandoned case. Instead, the miscellaneous office letter should have made reference to the instant application, USSN **09/715,036**.

The current miscellaneous office letter is substantially a duplicate of the miscellaneous office letter issued in error on July 2, 2004.

Information Disclosure Statement

The Information Disclosure Statement mailed on June 4, 2003 is acknowledged. The Information Disclosure Statement mailed on June 4, 2003 contained 8 pages. The Examiner inadvertently did not sign off on page 4 of the references contained therein. The Examiner has attached a signed copy of page 4 of 8 of the Information Disclosure Statement mailed on June 4, 2003. The Examiner has considered the references referred to therein on the record.

Oath/Declaration

In the previous Notice of Allowance mailed June 2, 2004, the Examiner indicated that he oath or declaration was defective because the first and second inventors have not signed the

Art Unit: 1635

Oath. This is withdrawn in view of the Oath mailed May 18, 2001, in which the first and second inventors have signed the Oath.

Priority

In the Office Action mailed on June 4, 2003, the Examiner indicated a claim was made for domestic priority under 35 U.S.C. §§ 120 and/or 121. The indication was incorrect as the instant application has claimed domestic priority under 35 U.S.C. 119(e) (to a provisional application). It is acknowledged that the instant application claims priority to U.S. Provisional Application Number 60/167,255, filed November 19, 1999.

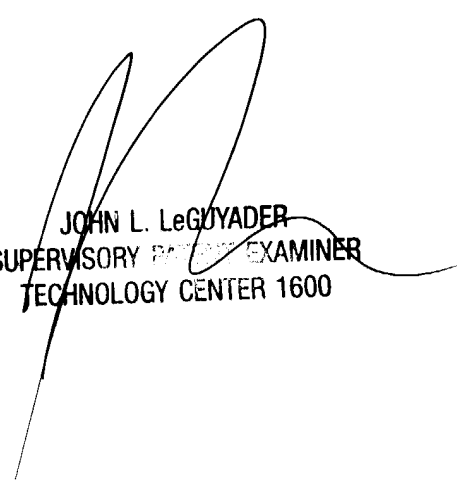

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Terra C. Gibbs whose telephone number is (571) 272-0758. The examiner can normally be reached on M-F 9:00-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John L. LeGuyader can be reached on (571) 272-0760. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 1635

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
